

9th World Cancer Congress - 2024

23rd - 24th August, 2024 | London

**Theme: Exploring New Horizons in Oncology
and Cancer Research**

Organised By

About The Conference

Arjyopa Healthcare welcomes you to attend the 9th World Cancer Congress - 2024 during August 23 - 24, 2024 at Radisson Blu, London, UK. We cordially invite all the participants interested in sharing their knowledge and research in the arena of Oncology and Cancer Research. From feedback received, the previous Congresses 2017, 2018, 2019, 2020, 2021, 2022, 2023 resulted in fruitful collaborations and rewarding experiences for the delegates who left the events with concrete tools and solutions that helped them enhance their work practice and impact. As hosts, we already feel very excited to create the same energetic and inspiring atmosphere during the Congress week, adding local flavours and new perspectives such as the role of complementary treatment in cancer to the programme.

In 2022 there were 288,753 new cases of cancer diagnosed in England. In England the Overall incidence of cancer was 21% higher in men than in women in 2022. Over half of people newly diagnosed with cancer are aged over 70. Among people aged 25 to 59, incidence rates are higher in women than in men. Among people aged over 65, incidence rates are around 50% higher in men than in women. Over half of cancers fall into four types: prostate, breast, lung, and colorectal. Cancer is the cause of just over a quarter of all deaths in England in a typical year. In the year 2021 in England alone, 134,802 people died from cancer.

We expect thousands of worldwide cancer and health experts to converge to our capital city in August 2024, and take advantage of this major educational platform to further 'Strengthen. Inspire. Deliver' the global cancer control momentum.

The 9th World Cancer Congress - 2024 will also explore the new ideas and concepts on global scale and the topics Cancer Biology & Genetics, Organ-Defined Cancers, Oncology: Sub- Specialities, Radiation Oncology, Surgical Oncology, Cancer & Stem Cell Therapy, Precision Cancer Medicine & Oncology, Cancer Biomarkers, Cancer Epidemiology, Cancer Prevention & Research, Cancer Therapy & Treatments, Cancer Pharmacology, Cancer Vaccines, Cancer Immunology & Immunotherapy, Oncology Nursing and Care, Complementary & Alternative Methods and Cancer, Cancer Awareness and Survival, Cancer: Lifestyle and Nutrition, Cancer: Psychological & Social Aspects. Meet leading oncologist, cancer researchers, pharmaceutical leaders, scientists, clinicians, physicians, doctors, health care professionals, molecular diagnosticians, clinicians, researchers, Executives/Managers and Business Delegates, Director of Laboratories, Universities, Industries, Investigators, Post-Doctoral Fellows, Research & Diagnostic Laboratories, Clinical Fellows, Students, Biomedical Research organizations, societies and associations.

Thus, the urgent need to mobilize our efforts, promote cancer advocacy more efficiently and develop effective national policies and plans for prevention, early detection, care and support.

We look forward to the honor of welcoming you at London during conference

Focus of The Conference

The 9th World Cancer Congress - 2024 is one of the world leading international cancer conferences. The 9th World Cancer Congress - 2024 organised by Arjyopa Healthcare unites researchers with diverse expertise in cancer research along with oncologists to discuss most intensively pursued topics of investigation. The aim and goal of the conference are to bridge basic and clinical aspects of the genesis, progression, prognosis, prevention, and treatment of cancer. The summit is focused upon disease management, prevention, strategies for early diagnosis, specific classes of therapeutic agents, results of a clinical trial, an emerging interventional technique, supportive care, and rehabilitation/reconstruction. The Summit has been hosted in Singapore which will set a perfect backdrop for The 9th World Cancer Congress-2024. The conference will provide an ideal platform for knowledge transfer, B2B networking and collaborations along with a delightful experience of a scientific meeting combined with social

Why you Should Attend this Summit

- ★ Learn about new Innovations and various future scope.
- ★ Translate technological capabilities into clinical applications, relevant to daily practice.
- ★ Connect and exchange with technology developers.
- ★ Network with Health main stakeholders in Healthcare Sector.
- ★ Contribute to driving and directing the fast growing field of Health.

Benefits to the Attendee

- ★ Certificates will be provided to all speakers, delegates and students
- ★ Opportunity to meet world's renowned at this event
- ★ Keynote forums by Prominent Surgeons & Professors
- ★ Best platform for Global business and networking opportunities
- ★ Oral/Poster presentations by Young Researchers
- ★ Best poster award for students

Benefits to the Exhibitor

- ★ Exposure to the international environment would increase the possibility of new companies.
- ★ Opportunity to demonstrate your company's latest technologies, new products, or service your business to a wide range of international participants.
- ★ Increase business by our Conference participants through lead generation.
- ★ It takes a lot of time, effort and drive to create a successful company, so it's always nice to have a network of colleagues and associates to draw energy from individuals who share a common drive and objective.
- ★ Conferences in Surgery provide opportunities for more attention and contemplation that could help you move your company to the next stage.
- ★ Benchmarking main organization plans and moving it forward.
- ★ Get feedback from trustworthy people at our Conference to your company questions and challenges.
- ★ Logo and Branding On our Conference banner, website and other proceedings.

Key Tracks

- ▲ Track 1: Bladder Cancer
- ▲ Track 2: Bone Cancer
- ▲ Track 3: Brain Cancer
- ▲ Track 4: Breast Cancer
- ▲ Track 5: Cancer Genetics & Genomics
- ▲ Track 6: Cancer Immunotherapy & Vaccines
- ▲ Track 7: Cancer Metabolism
- ▲ Track 8: Cell Signalling & Regulation
- ▲ Track 9: Cell-Based Therapy
- ▲ Track 10: Chemical Biology
- ▲ Track 11: Chronic Myeloid Leukemia
- ▲ Track 12: Chronic Lymphocytic Leukemia
- ▲ Track 13: Developmental Biology
- ▲ Track 14: Endocrine Cancer
- ▲ Track 15: Epidemiology
- ▲ Track 16: Epigenetics
- ▲ Track 17: Oncology
- ▲ Track 18: Imaging
- ▲ Track 19: Immunology
- ▲ Track 20: Lung Cancer
- ▲ Track 21: Lymphoma
- ▲ Track 22: Palliative Care
- ▲ Track 23: Genome Integrity
- ▲ Track 24: Gynecologic Cancer
- ▲ Track 25: Microbiome & Inflammation
- ▲ Track 26: Molecular Pathology & Diagnostics
- ▲ Track 27: Multiple Myeloma
- ▲ Track 28: Nanotechnology
- ▲ Track 29: Neuroscience & Neuro-Oncology
- ▲ Track 30: Renal Cell Carcinoma
- ▲ Track 31: Sarcoma
- ▲ Track 32: Skin Cancer
- ▲ Track 33: Side Effect Management
- ▲ Track 34: Solid Tumor Oncogenesis
- ▲ Track 35: Stem Cells
- ▲ Track 36: Structural Biology
- ▲ Track 37: Systems Biology
- ▲ Track 38: Targeted Therapy
- ▲ Track 39: Tumor Micro Environment
- ▲ Track 40: Urologic Cancers
- ▲ Track 41: Pancreatic Cancer
- ▲ Track 42: Pediatric Cancer
- ▲ Track 43: Prostate Cancer
- ▲ Track 44: Gastrointestinal Cancer
- ▲ Track 45: Head & Neck Cancer
- ▲ Track 46: Hematologic Malignancies
- ▲ Track 47: HPV & Cervical Cancer

Abstract Submission

Authors are invited to submit abstract(s) using the submission form on this page. Abstracts should contain sufficient detail on the techniques used and the results, which will be shown. You will receive a confirmation when the abstract has been received. Please contact the conference secretariat if you did not receive confirmation within 5 working days. Submission implies the intent of at least one author to register, attend the symposium and present the paper orally or in poster format. Contributions will only be finally accepted after registration and payment of the conference fee. The abstract will be reviewed, and you will be notified of acceptance.

- ✦ The entire body of the abstract, excluding tables, must not exceed 250 words. Spaces are not included in this number. Title, authors' names, affiliations, figures, and tables are not included in the character count.
- ✦ The abstract may be structured (i.e., abstracts divided into sections using terms such as Introduction, Methods, Results, Conclusions, etc.) or unstructured.
- ✦ Do not use bold type or underline formatting. Italic type is acceptable.
- ✦ Text may be in multiple paragraphs.
- ✦ Any references should be noted as citations within the text and not as footnotes at the end

For abstract submission kindly visit <https://www.worldcancercongress.co.uk/> or email us at info@worldcancercongress.co.uk

Important Dates

1st Phase Abstract Submission Deadline: 27th May, 2024

Early Bird Registration Closes: 21st November, 2023

Registration Details

	Early Bird Registration Before 21st November, 2023	Regular Registration After 21st November, 2023	Spot Registration On 23rd August, 2024
General Category	USD 599	USD 799	USD 899
Student(UG & PG)/ Research Scholar	USD 499	USD 699	USD 799
Business Delegates	USD 799	USD 999	USD 1099
Package A	USD 1699	USD 1899	NA
Package B	USD 1999	USD 2199	NA
E-Poster	USD 299	USD 499	NA

For Registration Kindly visit <https://worldcancercongress.co.uk/onlineregistration.php>

Renato Dulbecco Memorial Award

Eligibility

- * Senior Scientist or Researcher e.g. Senior Faculty, Dean, Senior Scientist) are the focus of this event.
 - * The topic must fit into scientific sessions of the conference.
 - * Each individual participant is allowed to submit only one paper (as first author or co-author).
 - * All authors should have senior position or faculty position.
 - * Participants should be above the age of 50 years.
 - * Actively distribute information and promote the benefits of education and career matters.
-

Edward Kennedy Memorial Award

Eligibility

- * Junior Scientist or Researcher e.g. Associate Professor, Assistant Professor etc.) are the focus of this event.
 - * The topic must fit into scientific sessions of the conference.
 - * Each individual participant is allowed to submit only one paper (as first author or co-author).
 - * All authors should have junior position or faculty position.
 - * Participants should be below the age of 50 years and above the age of 30 years.
 - * Actively distribute information and promote the benefits of education and career matters.
-

Young Investigator Award

Eligibility

- * Young Investigator (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event.
- * The topic must fit into scientific sessions of the conference.
- * Each individual participant is allowed to submit only one paper (as first author or co-author).
- * Author should not have senior position or faculty position.
- * Participants should be below the age of 30 years.
- * Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multi disciplinary researchers.
- * Actively distribute information and promote the benefits of education and career matters.
